```

## Output:

The screenshot shows a web browser window with the title bar containing 'WhatsApp', 'FORM', and a plus sign. The address bar shows the file path 'D:/Sem%204/WEB/form.html'. The browser's taskbar at the bottom includes icons for WhatsApp, Java in Visual Studi..., and Windows Insider. The main content area displays an 'Employee Registration Form' on a light blue background. The form includes the following fields and controls:

- Name:** Two text input fields labeled 'First name' and 'Last name'.
- Sex:** A dropdown menu with 'Male' selected.
- Email Address:** A text input field containing 'example: abc@xyz.com'.
- Contact Number:** A text input field.
- Date of birth:** A text input field with the placeholder 'dd-mm-yyyy' and a calendar icon.
- Address:** A large, empty text area.
- Educational Degree:** Three radio buttons labeled 'Under graduate', 'Bachelor', and 'Masters'.
- Applying for position:** A text input field.
- Submit:** A button at the bottom of the form.

The Windows taskbar at the bottom shows the search bar 'Type here to search', several application icons (File Explorer, Spotify, Mail, Edge, Chrome, Firefox, VS Code, etc.), and system status information including '33°C AQI 76', 'ENG', and the date '14:24 07-07-2021'.
